WHAT YOU WILL BUILD

- 5+ Projects
- Real-world Experience
- GitHub Portfolio
- Industry Ready Skills
- Job Ready Confidence

CAREER ROLES

- Python Developer
- Full Stack Developer
- Django Developer
- Backend Developer
- Web Developer
- Software Engineer Trainee

INDUSTRY TOOLS

- VS Code
- Git & GitHub
- Postman
- MySQL / PostgreSQL
- Figma (Basic)
- Trello / Boards

LEARNING APPROACH

- Practical Learning
- Daily Coding Tasks
- Weekly Assessments
- Live Projects
- Mentor Support

INTERNSHIP EXPERIENCE

- Real-time Projects
- Team Collaboration
- Agile Workflow
- Code Reviews
- Project Deployment

PLACEMENT SUPPORT

- Resume Building
- LinkedIn Optimization
- Aptitude & Soft Skills
- Mock Interviews
- 100% Placement Assistance*

CERTIFICATION

- Course Completion
- Internship Certificate
- Project Certificate
